## WHEN THE LIVER LAGS

The liver's work is greatly increased during the winter months by heavier foods being eaten. More sedentary habits also seem to have an effect on this organ that causes it to lag.

A tired, sleepy, "headache" feeling is a symptom of an overtaxed, sluggish liver. When the liver lags take

### COMING VOGUE IN NECKWEAR.

Scarfs of Every Description Are Now in Big Demand—Wash Neckwear is Also a Strong Feature.

Scarfs of every description seem destined to enjoy a big vogue. This is particularly true of those of a very sheer sort in metallic finish. They are used for a variety of purposes and are to be worn around the neck or employed as headwear. They are of Chiffon, Crepe de Chine and Liberty principally. The broad lace collar is again a factor. The lace jacket or Bolero was never so strongly in evidence as today.

## WASHABLE NECKWEAR.

## LADIES' NECK SCARFS.

Too great emphasis cannot be laid on these Scarfs, as they are going to be very popular all through the Spring and Summer season.

They are being used in large quantities in a muffler-like effect, being worn inside the coat, but allowed to hang down in front so they show. The effect created is very pleasing.

One of the prettiest Scarfs we
